Abstract of the Disclosure

A system and methods of virtual schooling, which provide an Internet-based elementary and secondary school that is committed to offering a complete and comprehensive education to all pupils. The curriculum used in the system and methods is Web-deployed and database-driven. Its subjects include, but are not necessarily limited to History/Civics/Geography, Language Arts, Math, Music, Science, and Visual Arts. Preferably, lessons should integrate on-line and off-line instructional materials for a well-rounded learning experience.
